Dear Parents/Caregivers,

2011 INCREASE IN ATTENDANCE DUES

The Attendance Dues for 2011 have been increased to \$1 808.00 per student per annum (2010: \$1 704.00) with effect from 01 January 2011.

Parents are hereby advised that the Direct Debit Authorities currently in place will be amended accordingly with effect from 01 January, 2010 to reflect this increase. Monthly payments will increase to \$150.67(2010: \$142.00) per student and quarterly payments to \$452.00(2010 \$426.00 per term) per student.

For those parents who have made alternative arrangements with regards to the payment of the attendance dues and/or who pay annually in advance, please ensure that your payments for 2011 are changed to reflect the new amounts due.

For those parents who have a new student starting during 2011 and who have already paid a Terms fees in advance on enrolment of \$426.00, please remember to pay the difference of \$26.00 as soon as possible. This can be paid either directly to the school or sent to the address shown in the letterhead.

Please note that the NZCPT will amend Direct Debits authorities for students leaving at the end of this year as notified by the School and parents do not need to contact their bank in this regard. Direct Debits will be stopped for leavers after the December payment has gone through, unless there are still fees outstanding.

Any enquiries can be sent directly via email to the Administration office as below.

The New Zealand Christian Proprietors Trust wish you and your families a Blessed Christmas and peaceful New Year.

Yours sincerely,

Julia Coetzer
