Why send your child to Jireh Christian School?

Our aim at Jireh School is to provide a quality education for students founded on a Biblical worldview and based on sound Christian principles. The school has a rich curriculum that covers all essential learning areas and prepares our students to face the challenges of the 21st century. Experienced and professional staff is committed to teaching children as individuals and encouraging them to reach their maximum potential. We want to challenge young people to understand and know God's word.

The development and education of our students is a partnership between the school and home, a responsibility which can only be achieved through a close relationship between parents and teachers.

Development of Christian character and servant leadership are important objectives for our students. We seek to encourage young people in the understanding and articulation of their Christian faith, in service within the community and in living their lives enthusiastically and with integrity. Part of the school's Christian ethos is to provide caring discipline. We have high expectations of our students and with clear and sensible guidelines we encourage them to develop self-discipline.

I am confident that your child can prosper in every way at Jireh School and I look forward to welcoming your family to this school.

Introduction to Jireh School

Jireh School was founded to educate children of Christian families in a non-denominational environment.

Our Statement of Faith encompasses all mainstream denominations that are biblical, broadly evangelical and adhere to traditional Christian values.

All teachers are fully qualified and registered. As committed Christians they view their employment as a calling and part of their Christian service.

Jireh began as a private school, becoming state integrated, as a satellite of KingsWay in February 2006.

There are seven classes: New Entrant (Rata), Year 1 (Pohutukawa), Year 1-2 (Titoki), Year 2-3 (Kowhai) Year 3-4 (Puriri) Year 4-5 (Totara) and Year 5-6 (Rimu). A low teacher to student ratio allows for quality time and attention to be given to each child.

Our learning programme is based on the New Zealand Curriculum as per Ministry of Education requirements. As a Special Character school (Christian) we approach all learning from a strong Biblical World View both in content and delivery. All learning areas and essential skills are covered. This offers a broad, interesting and varied programme inside and outside the classroom.

At Jireh we offer a full sporting and arts programme. We believe that education involves the development and nurturing of every aspect of a child's life; physical, spiritual and mental.
