21st March 2013

Dear Parents,

My name is Frances Louard and I am a registered music teacher. I have been teaching both small group and private lessons for the past 25 years as well as having taught music in primary school and after school programmes. I am passionate about teaching children music and I spend time and energy finding each child's individual strengths and inspiring them to succeed. My past successes include 100% pass rate for all students that have decided to sit official piano or theory exams.

I am delighted to be able to offer your child the chance to learn piano in school hours. Each individual half hour class will cost \$25 and there will be approximately 8 – 10 lessons per term. The cost of music books will be additional. Your child will need a piano or 5 octave (minimum) keyboard at home. Each child will also need a homework notebook and a clear file folder for the extra pages that I will provide free of charge to your child.

My role as a teacher is to ensure that your child remains motivated throughout the year and to keep you informed about your child's progress. Your role as a parent is to schedule regular practice times at home and to show motivation and enthusiasm about what your child is learning. It will be your positive and encouraging attitude at home that will ensure that your child wants to learn.

Currently there are a total of 8 spaces available. Spaces will be allocated on a 'first come, first serve' basis after a commitment to full payment for the term is received in advance. Parents who are interested or who would like further information are invited to contact me via email.

I look forward to an exciting and rewarding year with you and your child.

Sincerely

Frances Louard, RMT
