

Policy: **Bullying**

Policy Statement

The Jireh Christian School Board of Trustees seeks to take all responsible steps to develop high standards of behaviour in order to fulfil the charter expectations and the requirements of NAG 5. The Board of Trustees seeks to foster and develop a safe, positive physical and emotional school environment that creates a climate of trust. Students, staff, parents and whanau share the responsibility for making Jireh Christian School a respectful and inclusive environment.

We are committed to ensuring that our School provides an environment free from bullying behaviours. All members of our School community – Board of Trustees, School leaders, teachers, staff, students, parents and whanau should have an understanding of what bullying is and know what to do when bullying does occur.

Procedural Guidelines

Definition

Bullying behaviour is not an individual action. Our School community agrees that:

- Bullying is deliberate.
- Bullying involves a power imbalance.
- Bullying has an element of repetition.
- Bullying is harmful.

Bullying behaviours can be physical, verbal, social, or emotional and can take place in the physical world or cyber world.

Bullying is not an individual action. It involves up to three parties: initiators, (those doing the bullying), targets, (those being bullied) and often bystanders, (those who witness the bullying).

Bullying may include negative references to race and sexual orientation.

Reporting Procedure for Bullying:

LEVEL 1	Class teacher Leader of Learning Area	Mild
LEVEL 2	Leader of Learning Area	Moderate
LEVEL 3	Deputy Principal of School	Major
LEVEL 4	Principal of School	Severe
LEVEL 5	Principal of School, BOT	Procedural Concerns

Complaints can be made in writing, email, by telephone or in person.

Bullying Prevention

Jireh Christian School recognises that real change happens when students, staff, parents, whanau and other members of the community share responsibility for making our School a respectful and inclusive environment. We will:

- Regularly survey our students to assess their wellbeing including incidents of bullying
- Identify areas for improvement through the survey findings and develop a bullying prevention action plan
- Regularly promote our expectations and successes in preventing bullying (e.g. in assemblies, newsletters and Facebook, and in reports to the Board of Trustees)
- Hold professional learning and development on our understanding of bullying prevention and response (staff meetings, parent meetings)
- Actively promote a culture and climate of acceptance, love and respect
- Use a range of activities including curriculum-based programmes to develop the ability for students to relate to each other (such as Kia Kaha, peer mediation, social problem-solving solutions, role playing and PeaceMakers)
- Promote digital citizenship throughout ICT (through the Digital Technology Curriculum) and promoting safe use of technology (through our ICT Use Agreement, parent BYOD meetings and parent information forums).
- Support student-led peer-to-peer initiatives.

Bullying Response, for when bullying occurs:

We recognise the importance of consistently responding to all incidents of bullying that have been reported in our School and ensuring that planned interventions are used to respond to these incidents and to support all involved. We will support anyone who has been affected by, engaged in, or witnessed bullying behaviour.

- A well-known complaints procedure exists to voice concerns
- All reported incidents of bullying will be taken seriously and followed up as appropriate
- An appropriate adult will support the affected students by:
 - Reassuring that they have done the right thing in reporting the incident
 - Using the assessment matrix, recording a description of what happened and assessing the level of severity
 - Using the quick reference guide, and responding to bullying incidents to activate the response and action needed
- We will involve parents and whanau as early as possible and as appropriate
- All more serious incidents will be escalated to the Senior Management Team and we will seek advice and involvement from outside agencies
- We will provide appropriate support for targets, bystanders and initiators of bullying behaviour
- We will regularly monitor all incidents of bullying and identify patterns of behaviour
- We will endeavour to resolve conflict through a restorative practice approach and adoption of anti-bullying programmes such as Peacemakers

Raising Awareness:

We recognise the importance of good communication between home and the School to promote consistent messages and to ensure that any reported bullying can be recognised and responded to effectively. We will regularly raise the awareness of our School community's approach to bullying and celebrate our positive School culture, for example, through parent evenings, assemblies, class-based activities and displays.

Our interaction with our School community will include reports to the Board of Trustees, School newsletters, and information, (including the policy) on the School's website. We will make the

policy and procedures available in multiple formats (in print, on the website and in School notices and newsletters).
