CODE OF PRACTICE FOR THE PASTORAL CARE OF INTERNATIONAL STUDENTS

Introduction

New Zealand educational providers are responsible for the welfare of their international students. It is important therefore, that these students are properly cared for, given a safe environment in which to learn and to live, and to be given the opportunity and support, to fully participate in all aspects of school and New Zealand life.

The 'International Student Handbook' provides both an overview of the 'Code of Practice for the Pastoral Care of International Students' (the Code), and the procedures that students are to follow if they have concerns regarding their New Zealand educational provider or agent.

Jireh Christian School has agreed to observe and be bound by the Code of Practice for the Pastoral Care of International Students.

What is the Code?

The Code is a New Zealand Ministry of Education document that sets out the minimum standards of delivery, advice and care that are expected of educational providers and/or their agents in respect to international students. It must be noted that the Code applies to pastoral care and provision of information only, and not to academic standards.

Who does the Code apply to?

The Code is mandatory and must be signed by all educational providers in New Zealand, who have students enrolled with them under international study permits.

How can I get a copy of the Code?

You may request a copy of the Code from your New Zealand educational provider or online from: [Education code of practice for pastoral care](#)

How do I know if an educational provider has signed the Code?

The New Zealand Ministry of Education will maintain a register of all signatories to the Code. This list will be available from: [Education Organisations](#)

If the educational provider that you are seeking to enrol with is not a signatory to the Code, you will not be granted a permit from the New Zealand Immigration Service and you will not be able to study at that institution.

What do I do if something goes wrong?

If you have concerns about your treatment by your educational provider or by an agent of the provider, the first thing you must do is contact the Principal, the international student coordinator/s, or another person who has been identified to you as someone that you can approach about complaints at your institution. The Code requires all institutions to have fair and equitable internal grievance procedures for students and you need to go through these internal processes before you can take the complaint any further (refer p.12). Once the student and the provider have reached the end of the provider's complaint process and the student is not happy with the outcome, iStudent Complaints may be able to help. You can contact them via this link <https://www.istudent.org.nz/>. They will help you or find someone who can.

What is iStudent Complaints?

iStudent Complaints is an independent body that is responsible for resolving contractual and financial disputes against a provider. If the complaint is about the quality of education received, they will direct the complaint to NZQA for follow-up.

What will i-Student Complaints do?

The purpose of i-Student Complaints is to adjudicate on complaints from international students. Once a complaint is received it will be acknowledged in writing within 10 working days by email or post. They will review the complaint and ensure it is something they can accept under the [International Student Contract Dispute Resolution Scheme Rules 2016](#).

They will then help the student and the provider negotiate a resolution that they both agree with. In some cases, they may decide that the complaint needs to go straight to adjudication if they do not think that negotiation or mediation will be suitable.

If the parties cannot come to an agreement in the earlier stages, they will arrange a mediation with the parties. In some cases, they may decide that the complaint needs to go straight to adjudication if they do not think that mediation will be suitable.

Should a settlement still not be gained from mediation, then the matter will go before an [adjudicator](#) who will issue a [binding decision](#). The adjudicator is usually the same person who mediated, so they will be familiar with the case, however parties can ask for someone different to be appointed as the adjudicator following mediation. After reviewing all the information provided, the adjudicator will prepare a provisional decision. Both parties will have the opportunity to comment on the provisional decision. The adjudicator will then issue a final decision.

How can I contact iStudent Complaints?

You can contact iStudent Complaints in the following ways -

- via this link <https://www.istudent.org.nz/>
- or ringing 0800 00 66 75

For matters relating to Code Breaches you should contact NZQA - <https://www2.nzqa.govt.nz/about-us/contact-us/complaint/>

Immigration

Full details of visa and permit requirements, and advice on rights to employment in New Zealand whilst studying, are available through the New Zealand Immigration Service, and can be viewed on their website at <https://www.immigration.govt.nz/>

Eligibility for Health Services

Most international students are not entitled to publicly funded health services whilst in New Zealand. If you receive medical treatment during your visit, you may be liable for the full costs of that treatment. Full details on entitlements to publicly funded health services are available through the New Zealand Ministry of Health and can be viewed on their website at <https://www.health.govt.nz/>

Accident Insurance

The Accident Compensation Corporation (ACC) provides accident insurance for all New Zealand citizens, residents and temporary visitors to New Zealand, but you may still be liable for all other medical and related costs. Further information can be viewed on the ACC website at <https://www.acc.co.nz/>

Medical and Travel Insurance

International students must have appropriate and current medical and travel insurance whilst studying in New Zealand. The insurance cover must be appropriate to cover:

1. The student's travel:
 - To and from New Zealand;
 - Within New Zealand;
 - If the travel is part of the course, outside New Zealand;
2. Medical care in New Zealand, including diagnosis, prescription, surgery, and hospitalisation;
3. Repatriation or expatriation of the student as a result of serious illness or injury, including cover of travel costs incurred by family members assisting repatriation or expatriation;
4. Death of the student, including cover of:
 - Travel costs of family members to and from New Zealand;
 - Costs of repatriation of or expatriation of the body;
 - Funeral expenses.

Students must provide evidence of medical and travel insurance on enrolment. The insurance must cover the full length of time that will be spent in New Zealand. New Zealand Insurance cover will be accepted or an overseas policy, if it is accompanied with an English translation. The school will keep a record of the Insurance Policy number and the type of cover provided.

ORIENTATION PROGRAMME AND SUPPORT SERVICES

Jireh Christian School provides students with a comprehensive orientation programme. The monitoring of a student's welfare is an on-going process and is overseen by the Principal, the ESOL Team and other appropriate staff.

An Orientation Programme includes:

- Placement of the student into their mainstream class.
- Mainstream class teacher assigning a buddy, (a classmate) to the student. The buddy's role is to befriend and help the new student to settle into school life and provide first language assistance.
- An introduction to the English for Speakers of Other Languages (ESOL) Department and its staff. This visit will help establish a point of connection and understanding of the student's needs. An assessment to determine the student's English ability and level will be undertaken.
- You will receive the Parent Handbook upon arrival at school which details how we do things and our expectations. Our management team, Board of Trustees, Board of Proprietors, staff and all other information relevant to a successful integration at Jireh Christian School can be found on the school website at www.jireh.school.com

Jireh Christian School recognises the need for student support particularly in the initial days of school life. A new culture, new language and new school can be overwhelming, therefore, the orientation programme is an important factor in assisting the student to settle.

Jireh Christian School endeavours to do its best in providing students and their families with a safe and positive environment. There are times however, when problems do arise, and these are some suggestions to rectify matters:

1. Grievances with a teacher

First call is to talk with your classroom teacher about your concern. If you feel you are unable to speak with the teacher concerned directly, then make an appointment with the Leader of Learning or the Principal.

2. Grievances with school friends

Talk with your classroom teacher, duty staff member or any other staff member about your concern. Your concern is important and will be dealt with in an appropriate manner.

3. Grievances with your Designated/Appointed Caregiver

- Discuss your grievances with your designated caregiver, as your grievances may be rectified at this level.
- If you need further assistance, then contact the International Coordinators (*refer p. 10*) who will act as your liaison, in consultation with other pastoral staff.
- If your grievance is of a serious nature and cannot be resolved, then Jireh Christian School may immediately rehouse you to an approved caregiver, if it deems it necessary to do so. Furthermore, Jireh Christian School may refer matters onto Oranga Tamariki Services, the New Zealand Police or other appropriate Government agencies.

The grievances and the procedures undertaken will be recorded.

If your grievances are unable to be resolved having followed the procedures above, then Student Complaints can be contacted for issues relating to contractual and financial matters.

STATEMENT OF FAITH

Jireh Christian School is non-denominational. Whilst teachers and school families represent many different Christian congregations, we hold to the following truths:

- a. We believe in one God, eternally existing in three persons: the Father, the Son, and the Holy Spirit. God is love, God is holy, and God is the source of all wisdom.
- b. In his sovereignty, God created the heavens and earth, and declared them good. God upholds and sustains all things.
- c. We believe in Jesus Christ, the only Son of the Father. Through him and for him all things were created. He is God incarnate, the true image of God, fully God and fully human.
- d. God created human beings in his own image. As image bearers we are designed for relationship with God and with one another, are blessed to be fruitful and productive in all areas of life, to the glory of God, and are entrusted with the stewardship and care of God's world.
- e. Our relationship with God, with others, and with creation was fractured when sin, evil, and death entered the world. All have sinned and are unable to restore their relationship with God by their own efforts.
- f. Therefore, God sent his only Son into the world. Jesus Christ was conceived by the Holy Spirit, born of a virgin, and lived a holy, loving, and sinless life. He was crucified, died, and was buried. On the third day he rose from the dead. He ascended into heaven and now reigns at the right hand of the Father.
- g. Through Jesus' life, death, and resurrection, God revealed himself to the world, defeated the powers of sin, evil, and death, provided for our salvation and reconciliation to Him, inaugurated the kingdom of God, and is working to renew all things. Jesus' resurrection marks the beginning of the new creation.
- h. We believe in the Holy Spirit, who is at work in the world bringing people to faith, drawing them to God, guiding them into truth, and working in them regeneration and transformation so that those in Christ will be conformed to his image. All the redeemed in Christ are united by the Holy Spirit and belong to one, holy, universal Church.
- i. We believe that the Holy Scriptures of the Old and New Testaments are inspired by God. As the supreme account of God's activity in the world, they attest to Christ and are trustworthy and authoritative. The Holy Scriptures are God's word to us through human authors.
- j. Creation is moving toward its God ordained goal, when Christ will return as king, the dead will be resurrected, God will bring about his final justice and reconciliation, and the heavens and earth will be made new.
- k. To be disciples of Christ is to respond to Christ's call and to participate in God's story as revealed in Scripture: to seek to know God's word and bear witness to his gospel; to seek to know and share in God's work and world; to form communities of faithfulness; and to be co-labourers with Christ in the renewal of all things.

PROCEDURES THAT APPLY WHEN A STUDENT IS ABSENT OR IS WITHDRAWN FROM ATTENDING SCHOOL

If a student is absent:

1. The parent/caregiver must follow the normal school procedure:
 - i. In the morning of the first day of the student's absence, the school must be notified and the reason for the absence.
 - ii. If an absence can be foretold e.g. a Doctor's appointment, then the school must be informed, in writing, at least one day prior to that appointment.
2. If a student is absent without a reason being given, then the school will contact the parents/caregivers for an explanation. If a student is truant from school, a meeting will be held between the parents/caregivers and the school, to discuss the situation and how to rectify it. If truancy continues, then a further meeting between all parties will be held. If the situation remains unresolved, then the student's enrolment may be terminated, with the New Zealand Immigration Service being notified.
3. If a student does not attend school for more than twenty consecutive school days then the school will, in writing, notify the parents/caregivers that the student's enrolment will be terminated and the New Zealand Immigration Service notified. However, in the event that the parents/caregivers give a full written explanation as to why and for how long the student will be absent, a place will be held for that student, providing all the student's fees have been paid in full.
4. In any event, if a student is withdrawn from, or ceases to attend Jireh Christian School, then Jireh Christian School's Board of Trustees will notify the New Zealand Immigration Service of the student's change of circumstance.

If a student is withdrawn from attending school:

1. A letter must be sent to the Principal, stating the last day of the student's attendance and the reason/s why he/she is leaving. The New Zealand Immigration Service will be notified as required by law.
2. Refer to Jireh Christian School's Refund Policy for International Students.

CIRCUMSTANCES IN WHICH TUITION MAY BE TERMINATED

1. Where a student is absent or consistently truanting from school (as above), then Jireh Christian School may terminate the enrolment.
2. If a student's behaviour is of an unacceptable level, then a meeting with the student, the parents/caregiver, and the school will be arranged. If the behaviour does not improve, written notification will be given to the parents/caregivers, warning of the danger of termination of the student's enrolment. If there is no further improvement, the parents and the student will be notified in writing that the student must leave at the end of that term, or earlier if the school decides, and will not be eligible to return the following term. There will be no refund of fees paid if this occurs.
3. An 'acceptable level of behaviour' is one that adheres to Jireh Christian School Rules and Code of Conduct. (*Refer p.13 & 14*)
4. If any information provided by the parents/legal guardians in the student's enrolment application is found to be inaccurate, false or misleading, then the contract of enrolment between Jireh Christian School and the parents/legal guardians of that student may be terminated at the school's discretion.
5. Upon termination of the student's enrolment, Jireh Christian School will notify the New Zealand Immigration Service immediately.
